Declaration of Endorsement of and Commitment to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (Charter and Code)

The Bucharest University of Economic Studies, represented by its Rector, Professor Nicolae ISTUDOR, Ph.D., fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of these principles have already been implemented in our university.

The Bucharest University of Economic Studies hereby declares its commitment to further implement these principles of the Charter and Code via the Human Resources Strategy for Researchers (HRS4R).

The Bucharest University of Economic Studies not only supports the work and development of individual researchers, but also aims to maintain the high quality of research in general.

We strongly believe that implementing these principles of the Charter and Code will contribute to further develop the European Research Area.

Yours faithfully,

Signature

Rector,

Professor Nicolae ISTUDOR, Ph.D.
