

## **DECLARATION**

***The Israeli Forum of Vice Presidents for Research adopted the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers (C&C) and noted the importance of the principles set forth therein.***

***Minor modifications were made in the Code of Conduct, reflecting the need to abide by state legislation, national or sectorial labor agreements and institutional policies.***

***The Forum recommends that its member universities update their ethical codes in research according to the C&C principles, wherever necessary.***

***The Forum will work with "The Forum of University Research Authority Directors" (FURAD) to help ensure the implementation of the C&C by providing Israeli universities with dissemination, information, and legal services.***
