

**The University Mozarteum Salzburg undersigns the Commissions
Recommendation on the European Charta for Researchers and the Code of
Conduct for the Recruitment of Researchers**

October 1st, 2009

The University Mozarteum Salzburg, represented by Rector Prof. Reinhart von Gutzeit, entirely supports the initiative of the European Commission concerning the Commissions Recommendation of March 11th 2005 on the European Charta for Researchers and the Code of Conduct for the recruitment of researchers.

By October 1st 2009 the team of Rectors of the University Mozarteum Salzburg declared that the full implementation of the European Charta and the Code of Conduct is one of the most important targets to improve working and research conditions for scientists.
