Commitment of Copenhagen Business School to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

Copenhagen Business School welcomes the initiative of the European Commission and the recommendations given in *European Charter for Researchers* and the *Code of Conduct for the Recruitment of Researchers*.

With the endorsement of the Charter and Code, Copenhagen Business School commits the stated principles and will guarantee a research environment and working conditions expressed in the documents.

This endorsement by Copenhagen Business School is fully in line with its policy aiming at making researchers' careers more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code underlines our institution's commitment to foster international collaboration and the various forms of mobility by researchers.
