To the
European Commission

Declaration of commitment by Riga Technical University to the Principles of "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

Riga Technical University welcomes and supports the Recommendation of the European Commission 2005/251/EC on "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers" (here in after referred as: The Charter and Code).

By joining The Charter and Code, Riga Technical University understands the importance of all the principles and will try to implement them with aim of encouraging open and diversified career development for researchers.

Riga Technical University will disseminate and promote The Charter and Code to its members and researchers and especially among those persons and groups who are involved in the recruitment of researchers.

By signing the Charter and Code, Riga Technical University fully supports the efforts of the European Commission directed towards making the careers of researchers more attractive and transparent and reaffirms its commitment to the European Research Area.

Professor Leonīds Ribickis, *Dr. habil. sc. ing.*,
Rector of Riga Technical University
