Welcome to **EURAXESS Austria**, a joint initiative of the

- Austrian Federal Ministry of Education, Science and Research (BMBWF)
- Austria's Agency for Education and Internationalisation (OeAD-GmbH)
- Austrian Research Promotion Agency (FFG)
- numerous universities, organisations and research institutions across Austria

EURAXESS Austria represents

a national extension of the **EURAXESS – Researchers in Motion** web portal, which is an unique pan-European initiative delivering information and support services to professional researchers.

Backed by the European Union and its Member States, it supports researcher mobility and creates a more favourable environment for career development opportunities while enhancing scientific collaboration between Europe and the world. The EURAXESS initiative is a key element for implementing the European Research Area and an open labour market for researchers.

assistance and jobs
for researchers

The Austrian network of EURAXESS Centres

- **Austria's Agency for Education and Internationalisation (OeAD-GmbH)**
info@oead.at, www.oead.at

The OeAD-GmbH is the EURAXESS Centre for detailed questions concerning entry, residency and work permits as well as for the Austrian Database for Scholarships and Research Grants.
www.grants.at

- **Austrian Research Promotion Agency (FFG)**
research_career_eu@ffg.at, www.ffg.at

The FFG is responsible for detailed information concerning social security rights and taxation.

- In addition, a number of Austrian universities, universities of applied sciences and research institutions as well as regional information offices provide support for regional and practical requests.

Contact persons and addresses of EURAXESS Centres can be found on www.euraxess.at within the section ›Information & Assistance‹.

›EURAXESS – Researchers in Motion‹ encompasses the following areas

- **Information & Assistance**
Support for researchers and their families in organising their stay in a foreign country
- **Career Development**
A range of tools and resources to support researchers' careers and to help organisations to complement or enhance career development services for researchers
- **Science4Refugees**
Tools and resources, jobs, access to the European research community and research buddies for refugee researchers and students
- **EURAXESS Worldwide**
A networking tool for European researchers working outside Europe (ASEAN – Association of South-East Asian Nations, Australia & New Zealand, China, India, Japan, LAC – Latin America & Caribbean States, North America, Republic of Korea)

Services offered by EURAXESS Jobs & Funding

EURAXESS offers a database with job vacancies and funding opportunities for researchers throughout Europe, informs on initiatives concerning the rights and duties of researchers and their employers (Charter & Code for Researchers) and keeps you up to date on support regarding career development of researchers.

Companies, universities and research organisations can post vacancies and search actively for research personnel and the CVs of international researchers.

All services are free of charge.
